

Shmup

- water theme
- Galactica but spraying fire w/ water
- like wild fires it grows faster and faster to get harder

grab mask by shooting to
gain extra nose

fill buckets of water at top
of screen that dump down
when full

• Spray em Down }
• Drawn them out }

Name Ideas

• Firefighter

Spray em Down is a ZD snorter that mimics
a wildfire situation

Fires have popped up and are spreading!
Spray em Down and fill up the buckets
to help stop the spread!

Don't let the fires grow too close to you!
Spray them out before they do!

Alternative Ideas

donkey kong inspired

- move up through ladders
- bullets come from all directions
- can destroy cannons on rows

Pacman but as you eat the dots they
become your arms, you want to kill
all of the ghosts before you run out
of dots
